We want to give voice to your views!

By the time you get this, the Tory-dominated council will have voted on cuts in North Somerset, and we want to know what you think.

Tell us how the cuts will affect you in Weston:

- * Has the council really thought about the full impact of the cuts?
- * Are Weston residents going to carry more than their fair share of the burden?
- * What do you think would be fair for Weston?

Email or write to us (see opposite) and tell us what you think so that we can campaign on key local issues.

Waste and litter

You've already told us how litter and graffiti is spoiling the precious green and open spaces in this Ward, and how the Tory council has done nothing about it.

LibDems believe green spaces should be cherished as a benefit for all residents to enjoy.

LibDems care about the environment and care about Weston. The evidence of neglect by this Conservative Administration is right in front of our eyes - from appalling failures in waste and recycling this winter that go far beyond incompetence, to breathtakingly arrogant decision making that damages Weston and ignores residents' views.

Time for a shake up here?
